Date Mailed

: October 23, 2006

Patent No. : 7,096,450
Inventor : Gill et al.
Patent Issued : August 22, 2006
Docket No. : BUR920020117US1

Re: Request for Certificate of Correction

Inspection of the application for the patent reveals, however, that in connection with the alleged errors to which applicant refer; the patent is printed in accordance with the record in the Patent and Trademark Office as passed to issue by the examiner. There being no fault on the part of the Patent and Trademark Office, it has no authority to issue a certificate of correction under the provisions of 35 U.S.C. 254 and Rule 322 of the Rules of Practice of the United States Patent and Trademark Office in Patent Cases.

For further consideration, a new request filed under 37 CFR 1.323 which includes the required fee of \$100.00 or a reconsideration filing together with documentation in support of applicant's request filed under 1.322 should be submitted. Required documentation may include acknowledgement of receipt.

Further correspondence concerning this matter should be filed and directed to Decisions & Certificate of Correction Branch. Any telephone inquiry concerning this communication should be directed to Ms. A. Green at (703) 308-9380 ext. 123.
